

# **MILITARY HIGHWAY WATER SUPPLY CORPORATION IS SEEKING REQUESTS FOR QUALIFICATIONS FOR PROFESSIONAL ENGINEERING SERVICES**

Military Highway Water Supply Corporation (“MHWSC”) is seeking to contract with a qualified Engineering Firm for MHWSC’s “Mid-Valley Water Supply Project.” As background, this project will entail providing engineering services for replacing / upgrading water well(s), above-ground water tank(s), and the associated Supervisory Control and Data Acquisition (“SCADA”) system. MHWSC estimates that the total construction costs of these proposed improvements will be approximately \$3 million.

Administration will rank the Statements of Qualifications (“SOQ”) received using the following criteria:

|                            |                  |
|----------------------------|------------------|
| Experience                 | 60 Points        |
| Work Performance           | 25 Points        |
| <u>Capacity to Perform</u> | <u>15 Points</u> |
| Total                      | 100 Points       |

Administration will recommend the highest-ranked firm to the Board of MHWSC. After approval by the Board of MHWSC, Administration will negotiate a contract with the highest-ranked firm, in compliance with the Texas Professional Services Procurement Act. Section 3 Residents and Business Concerns, Minority Business Enterprises, Small Business Enterprises and Women Business Enterprises are encouraged to submit proposals. MHWSC is an Affirmative Action/Equal Opportunity Employer.

SOQs should be submitted in paper copy at 4000 U.S. Highway 281, Mercedes, Texas 78570 during normal business hours. Proposals should be no longer than 10 pages. Proposals shall be received by MHWSC no later than January 27, 2023, at 1:30 p.m. Please e-mail any questions to General Manager, Consuelo De La Rosa, at [mhwsc@aol.com](mailto:mhwsc@aol.com).
