

**Notice of Public Meeting**  
**Proposed Improvements at the Gateway Land Port of Entry**  
**Brownsville, Texas**

In accordance with the National Environmental Policy Act and General Services Administration (GSA) implementation regulations, the public is hereby notified that the GSA will be holding a meeting to inform the public and seek input regarding proposed improvements at the Gateway LPOE. Interested parties are invited to attend the meeting, learn about the proposed improvements and the NEPA process, and provide input and comments on the proposal.

Comments on the proposed improvements will be accepted for 30 calendar days following the meeting. The meeting will begin at 6:30pm and end at 8:00pm on Thursday, May 18, 2023. The meeting will be located at the Brownsville Southmost Library Branch, 4320 Southmost Blvd., 956-548-1055.

Questions/comments can be directed to Karla Carmichael, GSA Regional Environmental Quality Advisor, [gateway.nepacomments@gsa.gov](mailto:gateway.nepacomments@gsa.gov).
