

Does Your Business Need **NEW CUSTOMERS?**

ONE WEEK ONLY

Introductory Rates & Incentives the week of June 5, 2023

The Monitor is proud to introduce a new comprehensive marketing program that will absolutely help your business to capture more new customers. **“Own your Local Market”** is an updated approach to marketing your business to today’s best prospects. It’s based on sound research of the marketing strategies that are actually working to drive more customers to businesses.

“Own your Local Market” will impact your business on three powerful ways;

- 1** It will eliminate wasted advertising dollars and enhance the performance of every dollar invested in marketing your business. Digital? Print? Mobile? Video? **“Own your Local Market”** provides the right solution for your business. It’s not based on just the media products we sell but rather on researched marketing strategies that are working today.
- 2** The Monitor is the only local company that can offer you **“Own your Local Market”** and manager all of your digital, mobile, video and print advertising needs.
