## National Cancer Prevention Month

**FEBRUARY IS CANCER PREVENTION MONTH**

Some ways you can help to prevent cancer: Eat healthy foods, avoid smoking and smokeless tobacco, exercise, limit alcohol, protect yourself from the sun – use sunscreen and limit your time to exposure, avoid risky behaviors (practice safe sex, don't share needles, etc.)

**Cancer  
Association  
of  
Darke County**

**Where there is help,  
there is hope.**

Unfortunately, there is no guarantee that even practicing good health habits will absolutely prevent cancer, but it does decrease the risk.

If you or a loved one or friend have been diagnosed with cancer and you live in Darke County, please contact the Cancer Association of Darke County at 937-548-9960 or email [director@cadinfo.org](mailto:director@cadinfo.org). There are great benefits available at no cost to the patient. We are located at the Wayne Cancer Center, 1111 Sweitzer St. Greenville, OH. We are open M W F from 9 to 4:30.
