OCTOBER

Breast
CANCER

**AWARENESS
MONTH**

Although more prevalent in women, breast cancer can also affect men.

One in eight women are diagnosed with breast cancer during their lifetime.

Early detection saves lives. Get tested today.

Breast cancer is the most common cancer found in women, regardless of race or ethnicity.

Due to the COVID-19 pandemic, BISD's Mile of Hope activities have been cancelled.

The BISD Mile of Hope Foundation is a nonprofit organization.

All proceeds stay locally in BISD and aid employees and students who have been affected by breast cancer.

To contribute to the BISD Mile of Hope Foundation, contact 956.698.0003 or e-mail pperez@bisd.us.
