

LYFORD CISD

2022 Outstanding Board Of The Year!

Lyford CISD School Board was announced the 2022 Outstanding School Board of The Year at the 2022 TASA/TASB Convention held Friday, September 23, 2022, in San Antonio, Texas. It is the highest honor you can receive as part of the TASA School Board Awards Program. The Lyford CISD school board was chosen from among five finalists that were interviewed by a committee of Texas school administrators. The committee was impressed by the level of services and opportunities the district offers students, especially considering its small size, staying true to their mission statement of "Work Hard, Dream Big, Conquer The Future!" Thank you LCISD School Board, for going above and beyond for our students, staff, parents, and community! GO BULLDOGS!
