

# PUBLIC NOTICE

**Space Exploration Technologies Company (SpaceX)** is planning to conduct system testing at the company's site located near Boca Chica Beach in Cameron County, Texas. As required for these activities, SpaceX will establish a safety zone perimeter in coordination with local law enforcement that will include temporary closures of Highway 4 and Boca Chica Beach.

Closures are targeted to occur during the month of October. Please keep in mind that target dates may change based on a number of factors. The most up-to-date information can be found at [www.co.cameron.tx.us](http://www.co.cameron.tx.us). Cameron County has also established a hotline for road closure updates at 956-548-9541.
