

AT&T Mobility, LLC is proposing to modify an existing wireless telecommunications facility on an existing building located at 835 E. Levee Street, Brownsville, Cameron County, TX 78520. The modifications will consist of the collocation of antennas at a top height of approximately 100ft above ground level (measured to the top of the antennas) on the 91 ft tall building, measured to the top of the penthouse (117ft to the top of the sign on roof of the building). Any interested party wishing to submit comments regarding the potential effects the proposed facility may have on any historic property may do so by sending such comments to: Project 6122010079 - CTJ EBI Consulting, 6876 Susquehanna Trail South, York, PA 17403, or at (219) 313-54548.
