

# “Our Future Starts Today!”

*“That’s right!- not tomorrow, not Tuesday, but right now!”*

- Eddie Treviño, Jr.

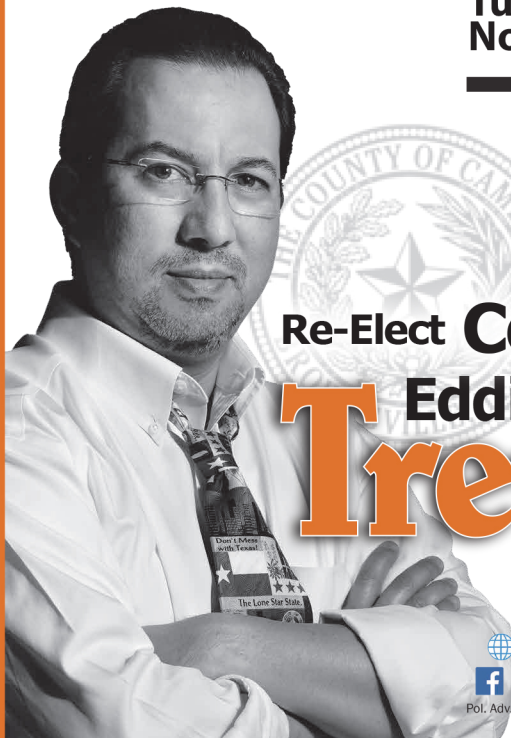

*If we don’t decide to do something to improve our future, right now, then when will we? I ask you to stop, look around and see what you can do to make life better for you, your family and your neighbors.*

*When first elected I made the commitment to work together to keep our County growing and keep us strong. And, working together, we’ve done that!*

- *We have continued investing, improving and building for a better Cameron County*
- *Economic development, jobs and quality of life projects are still a top priority*
- *We made the tough decisions necessary to keep our families and communities safe during COVID-19*

***We’re working together!- Juntos! Right Now!***
