OCTOBER

Breast CANCER

AWARENESS
MONTH

Breast cancer is the most common cancer found in women, regardless of race or ethnicity.

Although more prevalent in women, breast cancer can also affect men.

One in eight women are diagnosed with breast cancer during their lifetime.

Early detection saves lives. Get tested today.

The BISD Mile of Hope Foundation is a nonprofit organization.

All proceeds stay locally in BISD and aid employees and students who have been affected by breast cancer.
