1 Events Center Blvd., Brownsville, TX, 78526

The Texas Department of Transportation (TxDOT) is proposing to redesign FM 3248 (E. Alton Gloor Blvd) from I-69E to FM 1847 from an existing five-lane roadway with a continuous left turn lane to a six-lane roadway with a raised median and a 10-foot-wide shared use path in each direction in Cameron County. This notice advises the public that TxDOT will be conducting a virtual public meeting with an in-person open house option regarding the project. The public meeting will consist of a pre-recorded video presentation and will include both audio and visual components.

The public meeting will be conducted in English and Spanish. If you need an interpreter or document translator because English or Spanish is not your primary language or have difficulty communicating effectively in English or Spanish, one will be provided to you free-of-charge.

If you have a disability and need assistance, special arrangements can be made to accommodate most needs.

If you need interpretation or translation services or are a person with a disability who requires an accommodation to attend and participate in the Public Meeting, please contact:

Norma Robledo, at (956) 702-6161 or Norma.Robledo@txdot.gov

No later than 4 p.m., Monday, February 5, 2024.

Please be aware that advance notice is required as some services and accommodations may require time for the project team to arrange.

ALL COMMENTS MUST BE RECEIVED ON OR BEFORE WEDNESDAY, FEBRUARY 28, 2024
