

# Be prepared for HURRICANE SEASON

## Planning & Preparing

- Prepare for special needs (elderly, you and pets)
- Flood proof your home with sand bags
- Follow evacuation routes
- Have medication ready

## Hurricane Supply Kit

- Have a 7 Day supply of non-perishable
- Keep a battery powered radio, television and flashlight ready
- Have identification cards, medical records, birth certificates, and lists of family contacts.

## Hurricanes & Flooding

- Protect personal documents and special items
- Develop a family flood plan
- Never drive on flooded roads
