

Congratulations

Best Obstetrician/Gynecologist of the year - Uvaldo Cantu, MD

I appreciate your acknowledgement of my dedication to providing exceptional OBGYN care for all stages of a woman's life.

I give each patient focused attention and pride myself in delivering individualized care plans for the best patient outcomes.

As an experienced OBGYN physician, I will continue to engage in nurturing a healthy pregnancy for mother and baby.

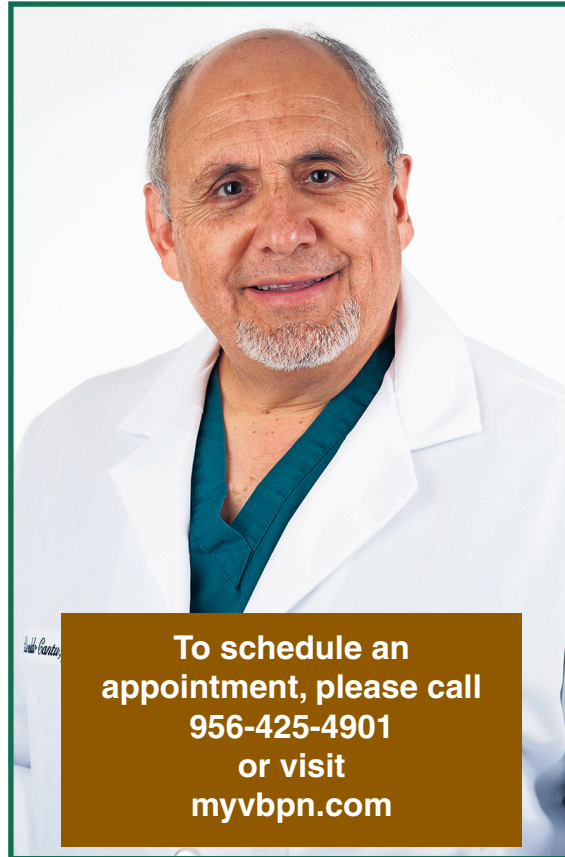

I offer care in pelvic pain, menopausal irregularities, fibroids and ovarian cysts, urinary incontinence and most gynecological issues.
