

STATEMENT OF QUALIFICATIONS FOR GEOTECHNICAL ENGINEERING SERVICES AT VALLEY INTERNATIONAL AIRPORT

Valley International Airport invites interested firms to submit a Statement of Qualifications for Construction Materials Engineering & Testing Services, Geotechnical Engineering Services, and Environmental Professional Services for various projects that will be designed for the next five (5) years at Valley International Airport. Each project could have a separate source of funding such as grants from the FAA, Passenger Facility Charges or local funds.

These projects are as follows: (1) Rehabilitate Runway; (2) Apron Expansion, (3) Roadway Upgrades and Extensions, (4) Terminal Building Refurbishments, (5) Airport Master Plan Update, (6) Replace Airfield Electrical and Signage. Statements of Qualifications will be received until 2:00 P.M., Wednesday, September 25, 2024, at the office of the Director of Aviation. Statements of Qualifications submitted after that time will not be accepted.. Questions regarding these projects shall be submitted in writing prior to Wednesday September 18, 2024, and directed to:

Bryan Wren, A.A.E.
Assistant Director of Aviation
Valley International Airport
3002 Heritage Way, Third Floor
Harlingen, TX 78550
Phone (956)430-8605
FAX (956)430-8619

Statement of Qualifications should include:

1. Firm name, address, phone number, and contact person
2. Qualifications and recent experience of the firm and key personnel relative to the proposed projects
3. List of references including the name, address and phone number of the person most closely associated with the firm's prior performance.

Interested firms should send three (3) copies of Statement of Qualifications of no more than ten (10) pages to:

Marv Esterly
Director of Aviation
Valley International Airport
Airport Terminal Building
Harlingen, Texas, 78550

The Airport reserves the right to initiate additional procurement action for any services and the right to reject any and all Statements of Qualifications for any reason at any time and to waive any and all informalities in the process. One or several firms may be selected for any of the above-mentioned projects.

City of Harlingen, Airport Board
Valley International Airport

Marv Esterly, Director of Aviation
