

STATEMENTS OF QUALIFICATIONS FOR PROFESSIONAL ARCHITECT/ENGINEERING CONSULTING SERVICES AT VALLEY INTERNATIONAL AIRPORT

Valley International Airport invites interested firms to submit Statements of Qualifications for Professional Architect/Engineering Consulting Services for various projects that may be initiated during the next five years (5) years at Valley International Airport. Each project could have a separate source of funding such as grants from the Federal Aviation Administration (FAA), Passenger Facility Charges or local funds.

These projects are as follows: (1) Rehabilitate Runway; (2) Apron Expansion, (3) Roadway Upgrades and Extensions, (4) Terminal Building Refurbishments, (5) Airport Master Plan Update, (6) Replace Airfield Electrical and Signage. Statements of Qualifications will be received until 2:00 P.M., Wednesday, September 25, 2024, at the office of the Director of Aviation. Statements of Qualifications submitted after that time will not be accepted. Statements of Qualification packages are available at the office of the Director of Aviation. To request a copy, please call Bryan Wren, A.A.E. Assistant Director of Aviation at (956) 430-8605.

Interested firms should send three (3) copies of Statement of Qualifications of no more than twelve (12) pages to:

**Marv Esterly
Director of Aviation
Valley International Airport
Airport Terminal Building
3002 Heritage Way
Harlingen, Texas, 78550**

The Airport reserves the right to initiate additional procurement action for any services and the right to reject any and all Statements of Qualifications for any reason at any time and to waive any and all informalities in the process. One or several firms may be selected for any of projects mentioned in the RFQ.
