

# NOTICE OF PUBLIC HEARING ON TAX INCREASE

A tax rate of \$0.027416 per \$100 valuation has been proposed by the governing body of Cameron County Drainage District 1.

PROPOSED TAX RATE	\$0.027416 per \$100
NO-NEW-REVENUE TAX RATE	\$0.025639 per \$100
VOTER-APPROVAL TAX RATE	\$0.027416 per \$100

The no-new-revenue tax rate is the tax rate for the 2024-2025 tax year that will raise the same amount of property tax revenue for Cameron County Drainage District 1 from the same properties in both the 2023-2024 tax year and the 2024-2025 tax year.

The voter-approval tax rate is the highest tax rate that Cameron County Drainage District 1 may adopt without holding an election to seek voter approval of the rate.

The proposed tax rate is not greater than the no-new-revenue tax rate. This means that Cameron County Drainage District 1 is not required to hold an election to seek voter approval of the rate. However, you may express your support for or opposition to the proposed tax rate by contacting the member of the Board of Cameron County Drainage District 1 at their offices or by attending the public meeting mentioned above.
