Cynthia Ebram

I started from humble beginnings to a lifetime of sweet success! I still remember starting out 41 years ago with just a \$5 kit and a passion for cake decorating began.

I never could have imagined the incredible journey that lay ahead. It's a testament to hard work, determination, and the support of amazing people like you. Your votes and support have made my dreams a reality, and I'm forever grateful. 14 years of being voted Best Cake Decorator is a dream come true.

All of this would not have been possible without the 3 "F's" in my life, Faith, Family and Friends.

In closing, I want to extend a special thank you to my past and present staff. Your talent, dedication, and hard work have been instrumental in our success. As a team, we've created something truly special, and I'm so grateful to have shared this journey with each and everyone of you. Thank you for your commitment, creativity and your passion.

Here's to many more years of teamwork and making sweet memories together!

Sweet Regards,

Dedicated to my parents, John and Helen Belcik.
