

# Happy Thanksgiving

As we begin this holiday season, a time for thanks and a time for reflection - I thank God for all the tremendous blessings He has bestowed upon me - family, friends and health. I thank Him for the opportunity to serve the citizens of Hidalgo County as your Judge of the 206th District Court. I also want to thank the many people who make it all possible - especially the citizens of Hidalgo County that we serve.

I wish you and your families a very happy, healthy and safe holiday.  
May God Bless You!
