

PORT OF HARLINGEN AUTHORITY

REQUEST FOR PROPOSAL

The Port of Harlingen is soliciting proposals from qualified and interested contracting firms for rehabilitation, repair and replacement of existing dock and mooring structures, referred to as "Dock Repair and Renovation Project." Selection of the Contracting Services will be in accordance with procurement standards set for in 2 CFR 200, in Appendix II to 2 CFR Part 200 – Contract Provisions for Non-Federal Entity Contracts under Federal Awards. This project will be partially funded with Federal funds from the United States Department of Transportation, Maritime Administration (MARAD) and therefore is subject to the Federal laws and regulations associated with that program.

This solicitation is a Request for Proposal (RFP). The Port is requesting qualifications from firms interested in providing the Port with Dock 1 and 2 rehabilitation, renovation and repair. Specific information provided in Bid Documents as requested by Bidder.

Send all Bidder requests and questions to:
Bing Zhang,
bzhang@lja.com

Proposal Submissions from Bidders are to be returned via email to:
Walker Smith
walker@portofharlingen.com
and
Bing Zhang,
bzhang@lja.com

Proposals will not be accepted after 4:00pm CST on March 14, 2025. Email submissions are accepted and preferred. The information listed below constitutes the minimum required information to bid; any additional information provided will be considered.

1. A Lump Sum price to complete the work. The price shall be broken down as outlined in the Bid Cost Breakdown sheet provided at Bidder's request to Bing Zhang.
2. Estimated construction schedule.
3. Construction schedule shall allow for a 24-hour period per week for dock operations.

All questions regarding this RFP shall be put in writing and submitted to Walker Smith and Bing Zhang via email no later than 5:00 pm CST on March 7, 2025. Questions submitted after the deadline will not be answered. Telephone or verbal questions will not be accepted. All questions and answers will be provided to all Bidders. A pre-bid meeting will be held at the Port of Harlingen Office, 24633 Port Rd. Harlingen, TX 78550 at 12:00pm CST on February 25, 2025. Immediately following the pre-bid meeting, a site visit to the Port dock facilities will be conducted. To gain entry to the Port, the bidder's representative shall have a valid TWIC card. The bidder's representative shall bring their own PPE including hard hat, life vest, safety boots and safety glasses. Additional site visits may be available upon request.
