

PUBLIC NOTICE

Space Exploration Technologies Company (SpaceX) is targeting as early as February 28 for a flight test from the company's site located near Boca Chica Beach in Cameron County, Texas. As required for these activities, SpaceX will establish a safety zone perimeter in coordination with local law enforcement that will include temporary closures of Highway 4 and Boca Chica Beach.

Please keep in mind that target dates may change based on a number of factors. The most up-to-date information on closures can be found at www.cameroncountytexas.gov/spacex/. Cameron County has also established a hotline for road closure updates at 956-548-9541.
