Congratulations, Class of 2024!

We are excited to see you begin your journey and aspire to become the best version of yourself and accomplish the goals you have set forth for yourself. While your time at Sharyland High School was impacted by the effects of the pandemic, weathering it with the perseverance and grit that you have demonstrated, is the embodiment of the fortitude that will shape your destiny and lead you to success.

While our future always remains unwritten, you have already begun to carve it out with the values that we hold dear that allow us to blaze our path forward achieving our desires and successes. It is without a doubt that you are prepared for this next chapter because, at Sharyland High School we have strived each and every day to not only prepare you academically but to shape all of an individual to the highest moral character. This goal is what helps drive our community forward, built upon the contributions of individuals, like you, from generations who have come before, to your generation now. Know that the pride of Sharyland is not meant to stay at Sharyland or for Sharyland. It's meant to follow you and in everything you do. As you set out into the world, take our knowledge and values which have been instilled in you, and seek to be the change you aspire for in the world! Congratulations!
