2023 BEST CAKE DECORATOR

Some may say that a cake is just flour, sugar, butter and decorations but nothing could be further from the truth.

Whether it be for baby's 1st birthday, Quinceanera, graduation, wedding, anniversary or just because occasion, everybody has their own vision of what they want their cake to look like and taste. They want their cake to be just as unique and special as the event they are celebrating.

Growing up, my parents instilled in me that "trust" was an essential component of any relationship, whether it be personal or business. Cynthia's Cakes has been creating special cakes and memories for close to 41 years and we are honored and humbled that you have trusted us for your cakes.

Cynthia's Cakes has been Readers' Choice Best Cake Decorator winner in 13 of the past 16 years. What a tremendous honor and recognition of the trust you have in us. Thank you, thank you, thank you!

All of this would not have been possible without the 3 "F's" in my life who have been my constant companion. Faith, Family and Friends. Thanks to each for their love support, advice and shoulder to lean on.

Lastly, due to the covid pandemic as well as the fact that I got covid pretty bad last year, my in person appointment business model has changed. However, with social media sites like Pinterest, Instagram, Meta and Google it allowed clients to send their cake ideas and themes. With Covid behind us and social events making a big comeback, Cynthia's Cakes is offering personal appointments, phone calls, texts or social media to assist in planning your special events.

Again, thanks to each of you for the support in selecting Cynthia's Cakes as the 2023 Best Cake Decorator and special thanks to my family and staff for the teamwork in meeting all the challenges.

Take care and be safe.

Dedicated to my parents, John and Helen Belik.
