

The University of Texas Rio Grande Valley

Mathematics &
Science Academy

Be part of our **award-winning** program for gifted high school students earning dual credit. Our students take classes from university faculty with UTRGV students on campus.

THE BEST PART: ALL TUITION FEES, BOOKS, & MATERIALS ARE FREE!

WHAT ARE THE BENEFITS?

- Free tuition
- Two years of college credit, 60–84 hours
 - Full participation in university life
 - Ability to pursue degree in any area
- More supervision and guidance than traditional college students
 - Courses taught by UTRGV faculty

WHAT WE'RE ALL ABOUT

The Mathematics and Science Academy (MSA) at The University of Texas Rio Grande Valley is, more than anything, about **transforming potential into achievement**. It's an award-winning program that provides a path for high school students gifted in math and science to foster their talents through unparalleled learning opportunities.

The ONLY ONE of its kind in The University of Texas System.
