It is with a humble and sincere heart that I, George Guerra and my beloved late wife, Yolanda Guerra, announce the closing of Guerra Funeral Home effective January 1, 2024.

My beloved late wife Yolanda Guerra and I started Guerra Funeral Home in February of 1984 serving our families with love and gratitude for forty (40) years. In Ecclesiastes, Chapter 3, Verse 1, the word of God states "To everything there is a season and a time to every purpose under the Heavens."

My season has come upon me and therefore the time has come for me to retire.

With gratitude in my

heart, I feel honored to have served Weslaco residents and the surrounding communities. We could not have served this long without your support and faithfulness.

During these forty (40) years we strived to be a supportive resource to our grieving families and friends during a most difficult time in their lives, that is the death of a loved one. We are truly honored that you entrusted us to the care of your loved one! The friendships and relationships we established throughout all these years will be cherished forever. We also thank our dedicated staff who have worked for Guerra Funeral Home over the years.

With a heart of appreciation, thankfulness and love we say farewell to all who stood by our business during these wonderful God given years. Should you need to speak with us please come by our office.

A BIG HEARTFELT THANK YOU!

Farewell and God Bless,
George, Yolanda & Family
