

# Cook's Corner

We are looking for recipes from our readers and friends for our  
**2026 Cook's Corner Cookbook!**

We're once again letting you, our readers and friends, submit your recipes, with or without photos of your dishes.

We thank each and every one of you who submitted your favorite recipes for the 2025 Cook's Corner Cookbook, but until April 1, we are asking that only those who have not submitted a recipe in the last couple of years, send us theirs.

If we still need recipes to fill the cookbook after April 1, we'll then accept recipes from anyone who has submitted recipes in the past few years.

## **Guidelines -**

2-3 recipes per person, submitted via email, US mail, or text.

You are encouraged to send photos of your recipe, but they must be clear for publication, and photos can only be submitted via email or text.

Include 3-4 lines about your recipe - for example, is the recipe unique, easy, passed down in your family, holiday favorite, loved by many...?

## **To submit your recipes -**

Please include your name, address and telephone number  
*(this is in the event that we have questions).*
