PUBLIC NOTICE

The U.S. Department of Commerce, Economic Development Administration (EDA) is considering a request for Federal assistance from City of McAllen under the FY25 Disaster Supplement Grant Program requesting \$6,000,000.00 as a grant with a \$1,500,000.00 local match making the project a total of \$7,500,000.00.

Pursuant to the National Environmental Policy Act (NEPA) and the National Historic Preservation Act (NHPA), EDA is conducting an environmental assessment of the potential of the proposed project to affect the environment and/or historic properties.

The proposed project consists of the design and construction of critical infrastructure including water, sewer, drainage and road construction improvements utilizing resilient designs. The implementation of resilient project design practices will ensure a multitude of benefits including improved safety, reduced financial losses, enhanced community well-being, and greater economic environmental sustainability and economic recovery. The City of McAllen estimates that the proposed EDA investment will help create 490 new jobs and a private investment of \$34,500,000.00.

Project information is available for review at the office of: Michelle Rivera, Assistant City Manager at 1300 W Houston Ave, McAllen, TX 78501 or call (956) 681-3111.

If you have any information regarding potential impacts to historic properties or environmental resources including wetlands or floodplains associated with this proposed project, please provide it in writing to:
