

Congratulations

Best Obstetrician/Gynecologist of the year - Uvaldo Cantu, MD

As I reach retirement age, I'm deeply grateful and humbled by the opportunity to have been part of your lives on your healthcare journey.

Thank you for entrusting me with your wellbeing for nearly 40 years, I especially cherish the meaningful relationships that we've developed through the years.

I am proud of the fullest and selfless measure of my devotion to your care. It has truly been an honor to serve you.

As I transition into a more tranquil chapter - one with fewer sleepless nights and more family time - I look forward to finally catching up on my reading and embracing a slower pace.

With heartfelt thanks,
Dr. Uvaldo Cantu
