

TO ALL INTERESTED PERSONS  
AND PARTIES:

VMK Concrete, LLC, has applied to the Texas Commission on Environmental Quality (TCEQ) for renewal of Registration No. 78675, for an Air Quality Standard Permit for Concrete Batch Plants, which would authorize continued operation of a Concrete Batch Plant located at 3600 North Chemical Road, Brownsville, Cameron County, Texas 78521. Additional information concerning this application is contained in the public notice section of this newspaper.
