

To All Interested Persons And Parties:

1111 Mixers LLC, has applied to the Texas Commission on Environmental Quality (TCEQ) for an Air Quality Standard Permit, Registration No. 184116, which would authorize construction of a concrete batch plant located using the following directions: From the intersection of State Highway 48 and Chemical Road, turn North onto Chemical Road. Continue on Chemical Road for approximately 800 feet. The facility will be on the right side of the road, Brownsville, Cameron County, Texas 78520. This application is being processed in an expedited manner, as allowed by the commission's rules in 30 Texas Administrative Code, Chapter 101, Subchapter J. Additional information concerning this application is contained in the public notice section of this newspaper.
