

Public Notice

Verta Wireless is proposing to construct a 50-ft small-cell pole telecommunications facility located near 1316 Expressway 83 (approximately 280 ft southeast of the US 83 Frontage Rd and E Fresno Ave intersection), McAllen, Hidalgo County, Texas 78503. Any interested party wishing to submit comments regarding the potential effects the proposed facility may have on any historic property may do so by sending comments to: Project 260068953PR, EBI Consulting, 21 B Street, Burlington, MA 01803, or at (617) 715-1822.
