

REQUEST FOR QUALIFICATIONS

The Port of Harlingen is soliciting qualifications from qualified and interested firms to provide progressive design-build services for the development of a Rail Industrial Park referred to as “Port of Harlingen Railyard Industrial Park.” Selection of the Consulting Firm will be in accordance with procurement standards set forth in the Texas Water Code Chapter 60.460. Design- Build Contracts for Facilities.

This solicitation is a Request for Proposal (RFQ). The Port is requesting qualifications from firms interested in providing the Port with Progressive Design-Build services for the development of a Railyard Industrial Park.

All interested respondents please submit 5 hard copies and one (1) PDF on a flash drive of your RFQ documents for these proposed services to:

Walker Smith
Port Director
Attn: Port of Harlingen Railyard Industrial Park Development
Port of Harlingen Authority
24633 E. Port Rd.
Harlingen, TX 78550

RFQ packets must be received by POH no later than 2:00 PM on August 5, 2026 to be considered.
